

## Board Biographies

Natalie Koepp - I moved to the Clarkfield area in 2009 with my husband and infant daughter, my employment at 6W Community Corrections having brought us this direction. My husband Jay works in the medical field and is currently the manager of the surgery department at Chippewa County Montevideo Hospital. Over the years, our family has grown. Three of our children attend Clarkfield Area Charter School; Berlinn 4th grade, Reagan 2nd, and Aurelia pre-school. Winston is only 9 months old at this point, and so is a Cardinal in training. Our appreciation for the work that CACS has done for our children and the community has led to my incorporation on the school board. I hope to be able to give back for several years to come.
